2. Leadership/Advocacy Discussion Session
3. Inclusivity Chat Session
4. Inclusivity Training Session
5. Play Experience Session

Planning:

- Someone to create flyers, social media post, title and short blurb, any handouts (if we’re doing handouts?)
 - Let’s send a flyer in an email- Katie will create
 - We can post on our Facebook page- Katie
- Faculty members to speak. Which schools/professors might be interested? ISU Meridian campus has an opening, so maybe David Kleist or Christian Chan? Who else?
 - Dr. Goodrich initially said yes to being in the grad student lounge; need to check on scheduling- Katie will check so Nevada is covered
 - Dan can check in about University of Montana
 - Bethany-will reach out to Wyoming and Idaho, including Christian Chan/David Kleist
 - reach out to Heather Ambrose with Walden-Utah- Bethany will email her; see if she knows anyone else that can as well
 - Michelle will reach out to schools in Colorado- Adams state, UNC, Denver schools
- What exactly do we want? It was my understanding the idea was to have professors speak broadly about the interview and job application process rather than have it be a recruiting time (since there’s already an ACES Career Connection time). But did I understand that correctly or is there another vision for this?

- Blurb- get to know your faculty, informal, what it was like for new hires/transition into faculty, what is their school like
- Michelle will send title and blurb to Teysha ASAP
- We could set it up as a round table type of thing? Need to have like 6 tables or something.
- Katie can be at the lounge for the whole time

2. New GSC members hopefully come on board in October. How to initiate/inform them?

- New members from Wyoming, Idaho, & Utah- Council will talk about reps on the September meeting and hopefully find out for the newsletter

3. Do we want to meet together at ACES?

- 4pm on Thursday the 10th?
- 5:30-6:30pm on Saturday the 12th? Could do dinner?
- Try to wear our grad student shirts

4. Any other new business?

- Don't need to be anywhere except the lounge, maybe attend the grad student meeting Saturday at 2:30pm
